

Quick Guide on How to Register as Participant to Online IMC

This guide is designed for students to register themselves to Online International Math Challenge. If you are a teacher/mentor or a parent, kindly check the “Instruction to Register - Mentors” in the website.

1. On <https://www.mathchallenge.in.th/online/> site, click “Register now!” link or directly go to [register.mathchallenge.in.th/](https://www.mathchallenge.in.th/register.mathchallenge.in.th/)

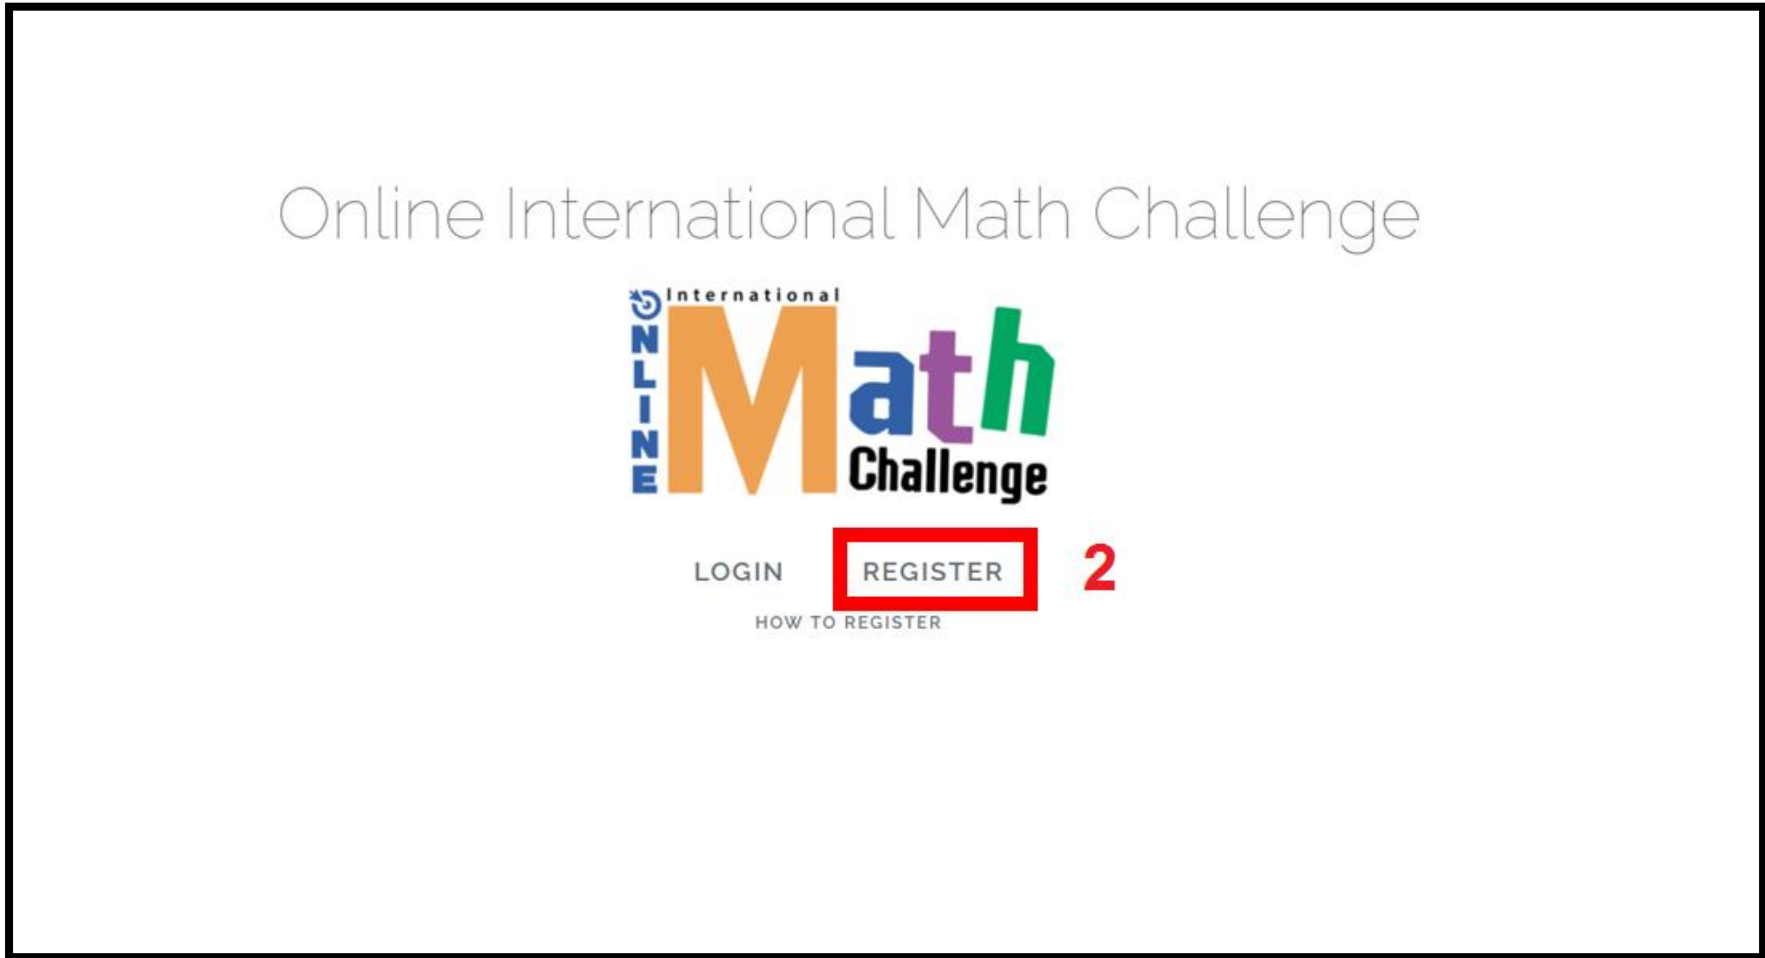

Online International Math Challenge

International Math Challenge aims to strengthen critical and creative thinking capabilities of the next generation of problem-solvers through competition and cooperation in mathematics.

- ✓ Are you confident in yourself?
- ✓ Do you think you have enough problem solving skills?
- ✓ Are you capable of thinking outside the box?
- ✓ To find out where you stand in the international arena.

2. In the registration site, log in if you are already registered, or click Register button if you are new.

3. In this step, you should fill in your details. You should choose Register as “Participant”

- Please enter valid email address as all the upcoming news and instructions will be sent via emails.
- Note that all characters including, name, surname and school name must be entered in English characters only.

After filling in all the required info, press “Register”.

7. In a “Select Category” menu you should choose category for yourself. Also you can choose your preferred exam language. Kindly note that you will be able to switch between the languages during the exam.
- If you are not sure which category you should choose, please see equivalence chart in Instructions page from left menu.

The screenshot shows the 'Select Category' page of the Online International Math Challenge. The page header includes the logo 'Math Online International Math Challenge', a welcome message 'Welcome Test Testov!', a 'Logout' link, and a 'Language' dropdown menu. On the left, a 'Menu' sidebar contains links for 'Instructions', 'School Info', 'Participant Info', 'Select Category' (highlighted with a red box), and 'Payment Details'. The main content area is titled 'Select Category' and contains three form fields: 'Category' (a dropdown menu with 'Select..' and a downward arrow), 'Preferred language' (a dropdown menu with 'Select..' and a downward arrow), and 'Participants' (a text input field). A blue 'Confirm' button is located at the bottom right of the form area.

8. Once these steps are fulfilled, now you can go to “Payment Details” and choose appropriate method for you. The system will calculate your payment amount and show it at the top of the page.
