01

Open the registration site

Go to **register.mathchallenge.in.th** and click the **Login / Register** button at the top right.

TIP The registration site is separate from the main website, so you need an account there even if you have visited us before.

02

Create your account

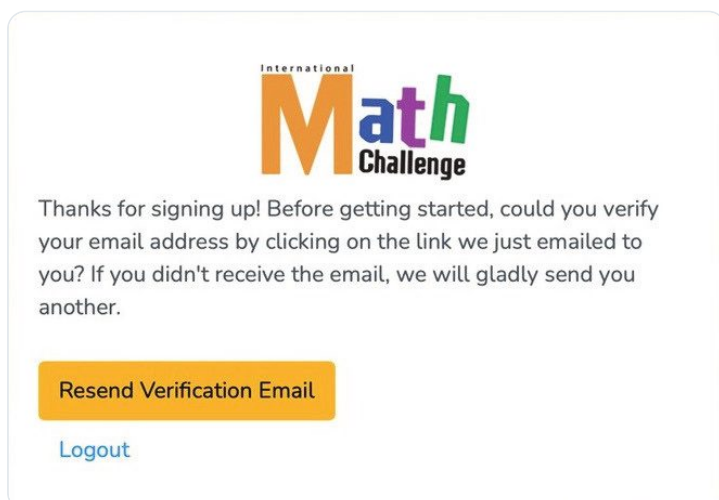

Choose **Continue with Google** for the fastest sign-up, or click **Register now** to use an email address and password. Tick **I accept Terms and Conditions** before you continue. Already have an account from a previous year? Click **Login** instead.

03

Check your inbox

After signing up you will see this screen. Leave it open and go to your email inbox. If the message has not arrived, click **Resend verification email**.

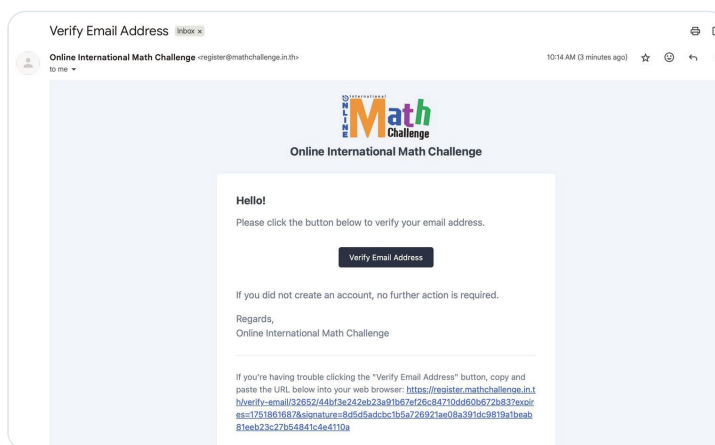

TIP No email after a few minutes? Look in your spam or promotions folder for a message from **register@mathchallenge.in.th**.

04

Verify your email address

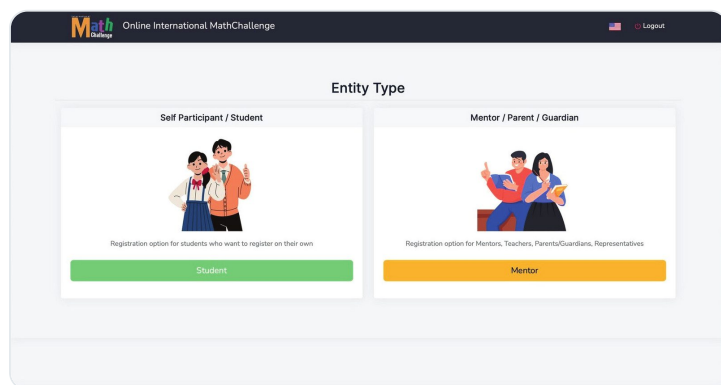

Open the email from **Online International Math Challenge** and click the **Verify Email Address** button. If the button does not work, copy the link at the bottom of the email into your browser.

05

Choose "Student"

Students registering for themselves click the green **Student** button. Teachers, parents and school representatives who register others click **Mentor** instead.

06

Fill in your details

Select your **exam category** and country, then enter your school, name, date of birth and phone number. Tick **Agree to Terms & Conditions** and click **Submit**.

TIP Have a mentor, school or centre? Ask them for their **mentor referral code** and enter it in the Mentor Code field. Leave it empty if you do not have one.

Checkout

Please do not close the payment window until the payment process is fully completed, and you are back on the dashboard.
